FALSE CREEK

Sea Level Rise

ACTIVITY BOOK

The City of Vancouver is working on a plan to help False Creek adapt to future sea level rise and coastal flooding. To help get this important work started, we want to hear from everyone about what makes False Creek special to them.

1. **If you do any of the activities in this book, please take a picture and send it to sealevelrise@vancouver.ca.**
2. **When you send your picture don't forget to tell us your name, age, and what neighbourhood you live in.**
3. **The answers you share will be used to help us plan for the future. All submissions collected by Nov 16, 2020 will be entered into a prize draw!**
