FALSE CREEK

Sea Level Rise

ACTIVITY BOOK

The City of Vancouver is working on a plan to help False Creek adapt to future sea level rise and coastal flooding. To help get this important work started, we want to hear from everyone about what makes False Creek special to them.

1. **If you do any of the activities in this book, please take a picture and send it to sealevelrise@vancouver.ca.**
2. **When you send your picture don't forget to tell us your name, age, and what neighbourhood you live in.**
3. **The answers you share will be used to help us plan for the future. All submissions collected by Nov 16, 2020 will be entered into a prize draw!**

FALSE CREEK
Walk, Bike and Roll Tour

Visit one or two of the places on the map below, circle the places you went to and tell us about them by answering these questions. Feel free to visit a different place, just be sure to tell us what it is by circling it on the map.

What makes this a great place visit or live in?

What would make this place even better?

What would you miss if part of this place becomes flooded in the future?

Fill in the blanks. *It's 2020 and I am ____ years old. In 2050, I will be ____ years old. In the future, I'm hoping False Creek will be...*
